

March Newsletter

Director's Cut

Hello. I hope that this newsletter finds you all well and healthy.

I can hardly believe that it is already March. Time sure does fly by. Your CAP staff has been busy feeding our neighbors in need of food. Thanks to all of you for your food and monetary donations to CAP.

Our goal is to make a difference in the lives of those with food insecurities. We could not do what we do without your help. You are making a difference in the lives of our neighbors. Just so you are aware, together, we fed 12,166 families with a total of 29,821 family members last year (2022). This means that we were able to give them 268,389 meals for the year.

THANKS again for helping those in need!

Our numbers continue to increase, especially with the way prices have soared at the grocery store. It has affected so many people. It seems that those who were doing ok are now struggling and those who were struggling are really struggling.

Your continued support is appreciated and truly needed at this time.

May God bless you and your willingness to be the hands and feet of Jesus.
Please feel free to stop by and chat anytime. My door is always open.

In His Service,
Donna Bodie
